New additions from Heskins Ltd

Can be made to any size, shape colour, grade or width.

Ideal for hard wearing industrial and utility use.

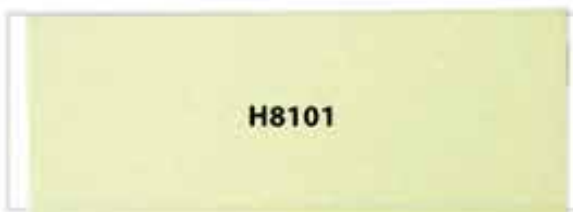

Clear Coarse Resilient

A clear version of our very popular black and grey non-abrasive materials yet has very high levels of coefficient of friction.

H3435

An extremely thick and unusual non-slip material. A rubber like effect but with all the advantages of a plastic.

Photoluminescent egress tape

As used as the base for the photoluminescent safety-grips.

Reflective tape

As used as the base for our dual purpose safety-grips
